

LEMONBOTTLE Master Cream is

a premium cosmetic designed to **rejuvenate and repair** damaged skin post-treatment.

RECOMMENDED FOR INDIVIDUALS WHO:

- Feel that their skin easily tires during daily life.
- Seek to perfect their skincare routine's finishing steps.
- Desire makeup that applies well and lasts.
- Wish to protect their skin from minor irritations.

**New Innovation,
New Skin**

Let your skin feel first

Enriched with a unique blend of active ingredients, including Madecassoside, this cream offers a luxurious solution for aesthetic skincare needs.

Madecassoside

Hydrolyzed
Hyaluronic Acid

Niacinamide

Adenosine

POST-TREATMENT CARE

Apply a generous amount of LEMONBOTTLE Master Cream to the treated area.

DAILY USE

For optimal results, use twice daily - morning and night.

MASSAGE

Gently massage into the skin until fully absorbed.

LEMONBOTTLE MasterCream

Anytime, anywhere for both daily care and special care.

One choice to transform your skin,

The finishing touch of skincare is just as important as the beginning. Complete your routine with **LEMONBOTTLE's special care from start to finish.**
